Nothing

Fulfilling basic requirements of students should be a priority.

Water facilities should be provided

Drinking water facilities should be improved .

Water should be available in washrooms and water coolers

Water supplies should be proper and canteen items has high cost according to the taste and quality

Water coolers were not working properly . Plz look into this.

Classroom facility

Please maintain or increase the level of cleanliness of classroom if possible. We did not get internet acces at all. Smart teaching and projector system is poor . Please provide experienced faculty for the further batch so that they font need to face the problems which we faced

Biostatistics crash course should be available

Final year needs more experienced teachers

Good

No comments

Experience faculty should be provided

Water facility is not good

Teachers for final year student must be experienced.

Clearance fees is very high

Non teaching staff specially trunal sir nature is very agressive ..he doesn't have mannure to talk with student ... please take action on that

B.

Senior should be call to tell their experience

Wifi should be made available to the student

Satisfactory

PlESE collect the fees in Installment facility

No placement

The girl's washroom on the ground floor is filled with mosquitoes... And the Librarians waste a lot of our time when we are standing in the line for reissuing or for any work, the librarian make us stand for a long time just because he's busy chit chatting to other students

Water coolers in all the floors and availability of water in the washrooms is mandatory

I have none

There are no placements .

Need air conditioning in classes

Water coolers on every floor is mandatory
Availability of water in washroom is a major problem
Clock in every classroom is not working

No placement

No internet facility access

Digital boards should be made available in each classroom

More co curricular activities should be taken in the college and the librarian are so rude , they keep on talking and make us wait to return the books issued by us.. also the support staff are rude to us and we need more seminars and guest lectures should be taken , fine is imposed on us so much.

Co circular activities plus overall development of student should also be noted with academics.

Above suggestions should slowed

Plz give idea to the students regularly for their attendance and plz at least available the duct facility

Common room' should clean

Sick room should contain first aid facilities and bed sheet should be cleaned
Common room should be renovated and should have facilities .
Fees should be allowed to be paid in installments .

- 1) Internet access should be given to us . As in pharmacology lab we work on pc many time we have to connect our internet
- 2) The library fine is more.. Even if there is holiday the fine is imposed.. And the common fine including the laboratory fine is too much..
- 3) The breakage fine should implemented to those only who actually broke .. The breakge fine is imposed to all
- 4) no facility of filtered water
- 5) fans in laboratory are not working

Facilities of chairs and tables should be provided in the Girls Common Room.

There should be a good facilities for water in washroom and road is also not well build up

Yes

Yes , canteen food

Once or twice a week their should be a physical activity period and also get access to ground

For drinking water, every water cooler must be kept clean and in a good state of working. In the girl's common room, clean bedsheets must be placed. Rest everything is satisfactory.

Do support to sports and entrepreneurship development and also visit for companies and internship

All good

There is a bedsheet in girls common room which is too much dirty so u must look into it

Canteen hygiene is not good

Boosting campus placement and training and internship program

The college needs a dress code

College dress code should be made available

Need good classroom because there is chaos in classroom due to table /chair availability

-

Inter college events and internships should be provided

No.

Since the strength of our batch is more, quantity of books in the library should be increased.
And also the benches are not clean

Sports equipment in common room and selection of president by election

I guess the walls should be painted it gives a positivity and Uniform also should be there as it gives a professional look to students .

Disappointed because of fees

Proper Cooling system in classes, proper canteen facilities

Please install proper cooling system for the increasing in scorching heat. Please install in taps in washroom and keep Handwash

Proper cooling system in classroom

Update washroom

Need to improve

Nothing much just to say that the fees is too much compared to the facilities we get here 😞

needs improvement

Water filter should be clean and washroom are too nasty and tap water is not coming properly please try to resolve this problems

Overall development is ok. Specialty biochemistry's assignment are very helpful

My suggestion is to change the capacitor which are in fan . Please change it 🙏🙏

4 wheeler parking can be increased

Everything is good.

..

Average

NA

overall the college is well and good

Charge less in library

Need improvement

Proper ventilation and cooling

Need of coolers as the room becomes hot in summers

More resources in library

More resources in library

Need for coolers or AC in summer season

It should support other extra program for development of student personality ..Water issue should be good.... student found their insect and unhygienic water in water .And support in ground activity .

Overall study is good but need to give more time to each person

No any suggestions

No

The co curricular activities should be increased and the cost of food in canteen should be reduced

More accessibility.

All the facilities are provided by the college

Some books in the library requires binding and maintenance, some books are tore and common room lacks cleanliness and some fans are also not functioning properly
