

The Sikh Education Society's Gurunank College of Pharmacy Nagpur

"Think, Create and Execute the Sparking Ideas in a National Level Event"

CALL FOR e - WORKING MODEL MAKING COMPETITION

"Post Covid-19 Operations Return to Learn"

Preamble

In January 2020 the World Health Organization (WHO) declared the outbreak of a new corona virus disease in Hubei Province, China to be a Public Health Emergency of International Concern. Almost all the countries around the world declared the lockdown and then the homes became hubs for learning, working, and living in response to a need for physical distancing. But soon the education institution shall reopen. We all know after such worst pandemic its not simple reopening and returns to learn need to be done wisely. Some strategy or model would be required. Hence this working model competition. It is expected to present working model indicating for safe, simple and easy way to return to learning.

Working Model

Prepare self explanatory complete working model that shall address few and may be many more questions as:-

- How Life after returning to learning post Covid?
- Post Covid travel home to college & vice versa
- Post Covid Stay in college classroom, practical lab, canteen etc
- Sanitation and hygiene
- What can we learn from this experience that we can carry forward to future-proof our campus?
