What measures should be taken to improve attendance in the classes?

7 responses

Follow the attendance rule ie person with below 70% attendance are not allowed in the exam.

Effective time table schedules, for example , Improving student experience is the core to institution's strategy. Give freedom to students to choose their combination of various courses and subjects with access to an automated timetable scheduling system. Students can plan their programs and keep track of their class schedules for different time periods, and discourage them from skipping classes.

Lectures on regular basis or following library hours

No suggestions

College should strictly detained student if they not attend class without reason rather than taking fine for that ,which teaches student that money is more powerful

Study
