Any suggestions regarding improvement

66 responses

No

No need

This happens all the time, the book of particular author always get issued quickly and remaining students cannot get the book , College should order more books from the same author

No internet facility in library or maybe students don't know the password of internet system available in library, Xerox facility is good but it should be so costly,it should be free for students notes.

No

No need

If the feedback regarding cantene facilities in mentioned ,then Some initiatives must be taken on that as soon as possible , becoz the feedback of all students since longer time is poor with respect to cantene facilities , atleast there must be some hygiene to be maintain , we don't need much !!

Need to improve canteen , the canteen we are having now is trash

Cateen facility is so costly,if it possible to low the price of items ,

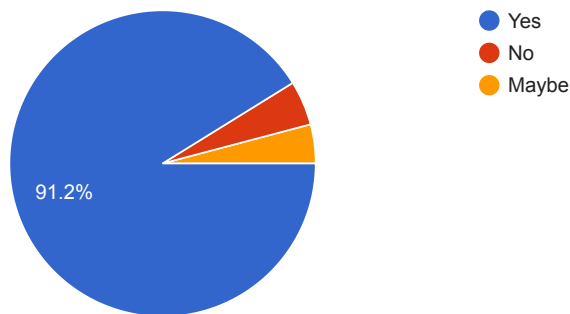

No its better
