Xerox cost should be minimise

Time duration of Book issue days should increase

No

More books will be given than 2

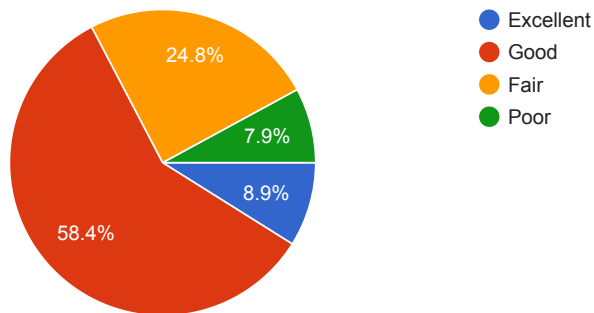

Every faculty except yende sir (that too, upto some extent) had improper 'teaching' otherwise this semester we just learnt how to pass an examination rather than actually understanding the concepts and learning those, we had the worst experience with gondane ma'am

Everything is good..but in this session,due to election paper is conducted so early so there would be pl for study..otherwise teaching staff and evrything is good..

We should be allowed to issue more than 2 books on 1 card

Improvement in Sports facilities

No

Water cooler isn't always on and water tastes funky at times

Poor hygiene in cantene

I have already suggested regarding water ,parking facility..

We are told to leave the lab(poc) at 4:30 which is not fair as our time schedule is till 5:30

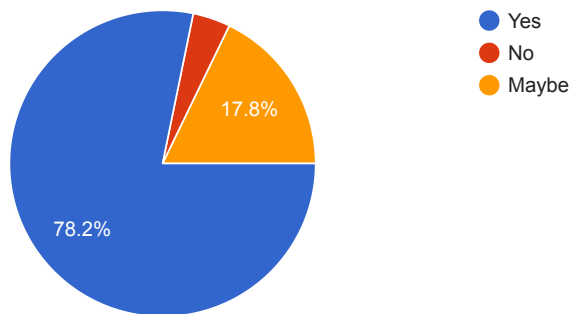

There must be a small stationary shop in our college.

Cleanliness in canteen.

Water is not so much like to drink

What measures should be taken to improve attendance in the classes?

31 responses

Fine system and strictly inquiry

Fun Activity should be taken in class.

Take regular test

Proper teaching worth listening and understanding.

Everything is nice and excellent regarding attendance....

Attain lectures regularly

Attendance fine which have been taking before our sessional examination its not fair because if in case we are absent so already our marks of attendance have been reduced so we shouldn't take any fine about attendance

Teachers should be regular in conducting classes.....

Any suggestions/Remarks

36 responses

No

The sitting benches should be more comfortable

All teachers staff are excellent

Practical should conducted only 4.30pm

I mentioned above, about assignment .

Eye contact to every students....

Practical should be conducted only at 4:30 pm

Faculty should make us understand the concepts than just writing those in our copies when the teacher dictates. The pace if certain teachers is very slow and some teachers have so fast speed that finish everything and no one understands one word.
