S. Gurbaksh Singh Lamba
President
The Sikh Education Society

We express our personal thanks and appreciation to all who have cooperated in helping the management in its many needs. It has been so obvious that all have worked together as a group concerned primarily with the welfare of the Gurunanak College of Pharmacy. They have given of their best and the Sikh Education Society is most fortunate in having a staff of such high professional quality. Our message is a simple one. To all of you we say-

"Participate in your college activities. Use your talents to the full.

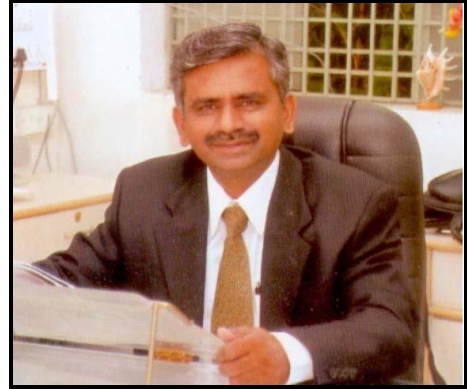

Give good example - do your best, but know what your best is."

Principal's Desk

Dear students,

I extend to all of you my heartiest congratulations on your success in your respective classes and hail you to this institution as we advance towards another academic session with still greater hopes and still higher ambitions. I assure that college will play a meaningful role in the competitive times ahead and scale new heights. I take this opportunity to congratulate the students and other members involved in this newsletter for their fruitful efforts.

Wishing you success always.....

(Dr. A. M. Ittadwar)

College Mission....

GNCP in general aims at preparing the talented young students from various back ground to become a scholar in the field of Pharmacy. This institution is doing well in accomplishing this task. As on today, we have 212 students-(202-B. Pharm, 10-M.Pharm Pharmaceutics) on our roll hailing from various parts of the state and country with different economic, religious and social background.

Academic Achievements

Our Achievement in the University examination held in April 2010 has been good-

Academic Year	% Result	Academic Topper
2009-2010		
First B. Pharm.	63.63	Ms. Amruta Bajaj
Final B. Pharm.	58.82	Ms. Jyotsna Sehgal

We know that there is still further scope for improvement and we are constantly moving towards this goal. We are motivating our students to compete in National level Entrance Exams and many of our B. Pharm students qualified for the GPAT exam May, 2010.

Editorial Board

A college cannot buy its spirit as it buys textbooks, nor can it have this spirit supplied as basic equipment. College spirit is built up within the college itself. The first leaders of the college and the first students play a vitally important part in so organizing their actions, thoughts and aspirations that a college spirit emerges. Not all of you have the same talents and so each of you will achieve differently. All that is asked of you is that you will do your best.
